The ring was entirely to the good, and they were deserving. After a bit of work-out, however, Nala and Avondale, two classy bays from the Avondale Farm at Housatonic, Mass., took the blue ribbon away from Lawrence's mare, one of the best of the breed, and the two horses that had not drawn the greatest notice, but animals that took honors galore at the State Fair. Mr. Jones grabbed the red tie from the Youngster and Queen's Maid, from the Oakland Farm at Newport, R. I.

#### Delivery Outfits.

Folks gave the next list of entries uproarious applause, for it looked so human, as it were, being a class of delivery outfits and including delivery wagons and their noble steeds, from the butcher, the baker, the brewer and the candlestick maker. It was a class of horses that in recent days in the streets, but, nevertheless, they presented a mighty fine appearance and the spectators warmed up to them.

It was a pretty close showing and the judge was rather up against it—if one may use slang at a classic. At length, after a long and hard working about the arena, Gray Billy, from the stable of the Steward Dry Goods Company, was awarded the blue rosy over the same stable. The Ray B. Co. Company's entry, Frank, a fine dapple gray gelding, was awarded the white tie.

The single harness horse class, No. 3, for stallion, mare or gelding, 15.5 or over, was characterized by the light of Glenworth and Gallant Lad against a number of Eastern entries for home. It was a very close fight, as may be supposed, and the battle was a close one. The winner, came in for much applause.

After a good bit of working James B. Marshall, of New York, who judged all of the harness classes, decided in

of Norgin for the first prize. Deafening applause followed the decision. Norgin has won forty-seven times out of forty-eight rings in which he has been entered.

#### Ladies' Pair.

In the ladies' pair harness horse class, No. 17, there was but one entry, much to the disappointment of all those present. It was hoped that a sharp fight would ensue in this ring, but Lawrence Jones' Elizabeth Allen and John Alden, driven by Miss Ellen Rasmussen, of Chicago, made up the only entry. This team was trapped in a spider phanton and presented a very pretty appearance.

Under the guidance of Miss Rasmussen's capable hand these horses showed excellent manners and a volley of hands greeted their every turn. Miss Rasmussen was one of the drivers at the show last year, when she won several prizes.

The five-gaited saddle horse class attracted general attention by its excellence. There were only three entries, two of the horses were excellent, but the last minute, Gen. Castleman's Cello Denmark seemed to be clearly outclassed when Coppin and Golden Buttery entered the ring and began to perform. Between these two it was a close fight and Butterfly, the favorite, won. This mare won the championship at both the Lexington and Paris fairs, and she is certainly pretty. She was mounted by Billy Shropshire, of the St. Pauline & Matlock, of Winchester.

#### Hunters and Jumpers.

A ring for hunters and jumpers closed the first night's show and this ring was a Canadian offering, with the exception of one horse, Lamolow, owned by Alvin Kinnaird, of Louisville. As is usual, the jumpers showed bad manners. When Brown Colt was given his showing he bucked the horse again, and when the horse was again given, he bucked the first jump all but threw his mount.

This horse was a class jumper, nevertheless, he cleared the barriers without trouble. Shortly after this incident Lamolow bucked on account of a sore mouth and the No. 4 singlehanded saddle horse, Diana of the Lea, Gladys L. and Princess Sonia. Most of the applause went to Poetry in Motion, but Princess Sonia, owned by Mrs. Lawrence, came in for her share of the hind music. All of the horses were given a good working out and, as was expected, Poetry in Motion added to his long string of laurels by taking the blue. He has never been beaten in a show. George C. Claussen, of New York, judged this ring.

Three teams of Louisville's "finest" horse-wagon drivers, were the next offering and folks warmed up to the show with unusual interest. John and Colbie, a team of splendid blacks, undoubtedly made the best showing, both in speed and in manners. Perhaps some air of the romantic entered into the generous applause for don't the stories always tell of the noble blacks that made the record run to such and such a place, and the teams had had their try. Messrs. Marshall and Claussen handed the blue to the horses and the judge, Chief Philmore Tyson was an interested spectator during this offering and he directed the actions of the drivers from the judges' stand.

#### Single Roadsters.

The feature class of the evening was that for single roadsters. This class was open to trotting stallion, mare or gelding to be shown to road or speed wagon. Horsemen were one in the opinion that this was the biggest and best class of roadsters that has ever been seen at a Louisville horse show and one of the best that has been seen anywhere.

Stephen Phelps, a gray gelding owned by J. F. Howley, of Pittsburgh, showed excessive speed, and Matt S. Colby, a bay gelding, showed very fast. The unknown ones, of course, applauded the burst of speed, mostly, but the horsemen and lovers of the flesh spotted Norgin, owned by John L. Bushnell, of Springfield, O., as the winner, even before the judge had finished his work.

Reverell was another horse picked for a close contestant, and he was well picked. The entire showing was marked by the excellent manners of all the horses.

After a battle royal among three or four horses in the entry Judge S. V. Taylor, of New York, decided in favor

DISCOUNT RATE RAISED BY BANK OF GERMANY.

Recent Heavy Speculation In Securities Causes An Increase To 5 Per Cent.

Berlin, Oct. 11.—The Imperial Bank of Germany to-day raised the rate of discount from 4 to 5 per cent.

Herr Harvenstein, president of the Imperial Bank, in proposing to the central committee an advance in the rate, referred to the extraordinary pressure at the end of the quarter, which he attributed chiefly to intensified activity in speculation in securities on the stock exchanges. He also remarked that banks recently had been expanding their credit facilities by the issue of new stocks and bonds issues this year also had tended to narrow the money market.

The officers of the bank expressed the opinion that the advance must be a full 1 per cent. in order to be effective. The recent advance had not had a full effect on the money market, and the banks had been trying to retard the speculative movement. The advance, he added, must be interpreted as a warning to curtail excessive demand for credits. The president's proposal was adopted without dissent.

ALUMNI SOCIETY OF THE COMMERCIAL HIGH SCHOOL.

Decides To Hold Meetings But Twice During Each Year In the Future.

Members of the alumni of the Louisville Commercial High School, an organization established by officers and students of the Commercial High School in 1906, at the regular monthly meeting last evening unanimously decided to discontinue their meetings in the future in favor of a plan providing for only two meetings a year. The plan was adopted by a vote of 10 to 2. The members of the organization will assemble only in February and June of each year, when they will hold a banquet and entertain the graduates of the Commercial High School.

The meeting last night was held at 112 West Gray street, and was well attended. All those who were present agreed that the school and its graduates should be proud of the organization that all should work for the success of the annual reception given under the auspices of the school and in honor of the pupils and graduates.

The officers of the alumni will continue to hold their places notwithstanding the change in the frequency of their meetings a year. Their names follow: President, Miss Hattie C. Klein; first vice president, Charles E. Schaefer; second vice president, Elsie M. Lips; recording secretary, Helen C. Brands; and corresponding secretary, Fred L. Long.

SHORTAGE OF \$210,000 DISCOVERED IN BANK.

Forged Notes of Well-Known Business Men Used To Cover Up Theft.

Milwaukee, Wis., Oct. 11.—A special to the Sentinel from Mineral Point, Wis., says that the First National Bank of Mineral Point has discovered a shortage of \$210,000 due to alleged forgeries of notes.

The bank officials spent last night trying to arrange affairs so that the bank would be able to continue in business and the effort probably will be successful. The shortage was hidden by the placing of forged notes of local business men in the bank's vaults. No arrests have been made on account of the shortage.

BANDIT BINDS CLERKS AND CARRIES OFF GOLD.

Seattle, Wash., Oct. 11.—Blindfold and gagged the night clerk and his assistant and carrying them to an unoccupied part of the building, a lone hold-up man robbed the office of the Great Northern Railway Company, 411 King Street, early this morning, securing several sacks of gold and silver and a large amount of paper money, the total amount running into the thousands.

Supreme Court In Session.

Washington, Oct. 11.—After recess of more than four months, with only Chief Justice Fuller and Justices Harlan, Brewer, White, Holmes, McKenna and Day present, the Supreme Court of the United States to-day began the regular term for the next twelve months. Justices Peckham and Brand were absent on account of illness.

The business of the day was continued to adjudge to the bar, presentations of motions and petitions and the dismissal of a number of cases.

## LOVELY WOMEN; RICH COSTUMES

Mark Opening of Louisville Horse Show.

Bright Eyes Gleam and Red Lips Tremble

As Blue-Blooded Equines Compete For Honors.

DEBUTANTES OCCUPY BOXES.

Steeds pranced, bright eyes gleamed and red lips trembled with excitement last night at the armory, while the purple and fine linen of society swished and glistened to the tune of efforts of many musicians. Fair women, bedecked as only Louisville women can deck themselves, looked, listened and chattered. They clapped their little hands with glee when their favorites won the ribbons that carry judicial commendation. The Horse Show is with us again.

Parading gracefully and as gracefully adorning the seats in box and balcony, the womanhood of Louisville joined with aristocratic horseflesh to show the world that though the march of progress may smooth out or ruffle up the surface of society in Kentucky, the traditions of the State stand upon that solid foundation laid by those forefathers.

Thoughtful pioneers of many decades ago, who brought with them into the beautiful wilderness good women and good horses.

The linsey and the tow linen of the pioneers have passed, and those diplomatic masters and mistresses of the design-board and other appurtenances of the dress-making art have been so put to it to adorn the women of Louisville for the night. The turbulences of the fashionable world have become the fashion of the black of the men was the only solemn thing about them when they looked and remembered that they live amongst this charm from day to day. Happy the men, and more than happy the women, for no community in America has so much natural beauty so happily enhanced, and naturally so other country's society could beat 'em.

Style and Finish.

Women and horses alike supported the claims of the Louisville Horse Show workers. Style and finish were the watchwords of the ring, while the banked crowd showed that there has been enough care bestowed by the generations of the past upon the matter of production of type. The Kentucky type was entirely predominant, which fact was properly appreciated by those who attended the Horse Show.

The promenade is as fashionable as ever. It appears that there is no means so useful of seeing all of one's friends and being seen by all of one's friends as by attending the Louisville Horse Show. ## WOMAN'S SIDE

### Pierced by Bullet Following Altercation With Husband.

VICTIM SAYS REVOLVER WAS ACCIDENTALLY DISCHARGED.

CONFLICTING STORIES CAUSE POLICE TO INVESTIGATE.

### REAL ESTATE TRANSFERS.

John Ham and his wife engaged in an altercation yesterday afternoon between 5 and 6 o'clock at their home, 717 Ohio street, New Albany, and the wife is now at St. Edward's City Hospital, that city, having been accidentally shot in the side. Several conflicting stories are afloat and it is difficult to decide just how the pistol was discharged.

Ham's father stated that the quarrel arose while he was with the husband and wife and he stopped the disturbance, after which he left them, but had gone less than a block when he heard two shots fired. Immediately starting back he found his son in the yard. The wife was in the house shot. An ambulance was summoned and Mrs. Ham was removed to St. Edward's City Hospital, where Dr. C. C. Funk, P. H. Hazlewood and J. E. Baxter attended her. But one shot took effect in the right side and the bullet was easily removed and the physicians think she will recover.

Prosecuting Attorney Walter V. Bullitt and Police Sgt. G. W. McCulloch interviewed the woman at the hospital, where her husband was with her. He last Saturday night and was renewed yesterday when he decided to leave and upon his return he was shot. They have been married a year and a half.

While living with her first husband, Edward John, Ham boarded with his present wife, whose maiden name was Russell, of Findlay, O. She came to New Albany with her first husband, who obtained a divorce from her and she married Ham later. Ham works in the rolling mills of the Ohio Falls Iron Company.

Mrs. Ham made a statement that she was endeavoring to remove the cartridges from the pistol when the trigger caught in the folds of her dress, causing its accidental discharge.

### Real Estate Transfers.

During the past few days the following transfers of property were filed for record in the office of the County Recorder, Lewis A. Stoy, at New Albany: Harvey Herman to William C. Eberling, lots 155 and 157 Elm street, plat 348, \$2,500; Lemon P. Jackson to W. J. Hastings, land in 26-3-5, \$2,200; Edward J. Smith to J. E. ## After La Grippe

"I had suffered several weeks with LaGrippe. Had pains in my head and eyes. It felt as though there was a heavy weight on the top of my head, until it seemed that my brain would burst. I was so nervous that I could not rest or sleep. When I dozed off I would awake with a sudden jerking of my whole body. Dr. Miles' Nerve, Heart Remedy and Nerve and Liver Pills cured me. A number of friends have since realized the same benefits."

MRS. ALVIN H. LOCKS, Seabrook, N. H.

The after effects of LaGrippe are often more serious than the disease, as it leaves the system in a weakened condition that invites more serious troubles, such as pneumonia, etc.

Dr. Miles' Restorative Nerve should be taken for some time to thoroughly restore nerve strength.

Dr. Miles' Nerve is sold by all druggists. If the retailer does not sell it, your druggist will return your money.

**S.S.S. NATURE'S PERFECT TONIC**

Something more than an ordinary tonic is required to restore health to a weakened, run-down system; the medicine must possess blood-purifying properties as well, because the weakness and impurity of the circulation is responsible for the poor physical condition. The blood does not contain the necessary quantity of rich, red corpuscles, and is therefore a weak, watery stream which cannot afford sufficient nourishment to sustain the system in ordinary health. A poorly nourished body cannot resist disease, and this explains why so many persons are attacked by a spell of sickness when the use of a good tonic would have prevented the trouble. In S. S. S. will be found both blood-cleansing and tonic qualities combined. It builds up weak constitutions by removing all impurities and germs from the blood, thus supplying a certain means for restoring strength and invigorating the system. The healthful, vegetable ingredients of which S. S. S. is composed make it splendidly fitted to the needs of those systems which are delicate from any cause. It is Nature's Perfect Tonic, free from all harmful minerals, a safe and pleasant acting medicine for persons of every age. S. S. S. rids the body of that tired, worn-out feeling so common at this season, improves the appetite and digestion, tones up the stomach, acts with pleasing effects on the nervous system, and reinvigorates every portion of the body.

## SEEK TO BREAK

Will Left by Wealthy Jeffersonville Woman.

GEORGE SHEA AND SUSAN BAUER WANT ACCOUNTING.

MRS. CHARLOTTE D. SUTTON DIES SUDDENLY.

### FUNERAL SERVICES TO-DAY.

In the Clark Circuit Court at Jeffersonville yesterday George A. Shea and Susan T. Bauer filed suit against Harry Shea, Jessie Strief and Myrtle Seifred to set aside a gift and for an accounting. They commenced with the suit as heirs of Mrs. Harriet Shea and Allen Shea and are their children. Mrs. Shea died some time ago at her home in Jeffersonville, but previous to this she inherited a large amount of money from the estate of a relative in Kentucky and she was supposed to be well off at the time of her death. It is set forth in the complaint that for a long time previous to the death of Mrs. Shea, who died before her husband, that she was in the mind and body, and that previous to her demise she lived with the defendants. It is alleged that they, by importunate persuasions and inducements, induced the aged woman to turn over to them stocks, bonds, bank notes and other securities of the value of \$10,000. Since this time, it is alleged, the defendants have failed and refused to account for the property.

The plaintiffs allege they are entitled to an equal share of the money and other valuables that it is claimed the defendants received from their mother. It is also demanded by the plaintiffs that the defendants be required to give an accounting of all the moneys that came into their hands as alleged gifts from Mrs. Shea. With the complaint the plaintiffs filed a bill of particulars of the amount each has received out of the \$10,000 and to say under oath what has become of the part each received.

Mrs. Shea was a well-known woman of Jeffersonville and her sisters, with her husband, lived at Chestnut street and Meigs avenue. At the time of her death she was well advanced in years and had been in feeble health for a long period.

**Dies Suddenly.**

Unexpectedly Mrs. Charlotte D. Sutton died at her home, 517 Fulton street, Jeffersonville, yesterday morning at 4 o'clock. She had been ill for several days and while it was known her condition was serious it was not realized that dissolution was so near at hand until a short time before Mrs. Sutton died. She was seized with a heavy cold about ten days ago and on account of her advanced age the malady did not yield to treatment and the patient continued to grow worse until death came to her relief.

Mrs. Sutton formerly was well known and had a large circle of friends, but during the latter years of her life she lived comparatively in retirement on account of her age. Her maiden name was Charlotte D. Sylvester and she belonged to an old Clark county family.

She was born in Clark county, Kentucky, in 1828, which practically made her 81 years old. Mrs. Sutton was a member of the Port Fulton Methodist Episcopal church and had been identified with the congregation for many years.

She is survived by one son, William E. Sutton, 25 Ford Park, Ind., and four daughters, Mrs. Eljah Detrow, Mrs. Myrtle Sage and Miss Addie Sutton, of Jeffersonville, and Mrs. Fred Wurfel, of Indianapolis. There are a number of grandchildren and a few great grandchildren. The funeral will be held at 2 o'clock to-morrow afternoon at 2 o'clock and the Rev. J. M. Jernan will officiate.
